Ballina came to a standstill on Sunday afternoon as the 17th edition of the Mayo.ie Western People West of Ireland Women's Mini-Marathon was held in the north Mayo capital.

Runners, joggers and walkers from across Connacht, and coming from as far as Dublin, descended on Ballina and the weather gods were kind as the sun began to shine mere minutes before the main event got underway. Ballina Municipal District Cathaoirleach, Cllr Jarlath Munnely, sounded the starting horn for the Mini-Marathon, which was returning to Ballina following its staging in Castlebar last year.

More than 2,100 women were registered for the 10km event, which is organised by the Mayo Sports Partnership

in conjunction with Mayo.ie and the Western People, and is the biggest women's only event in the west of Ireland, while over 1,000 youngsters took part in the Mini Mini race, which is open to national school students from across the region.

It was a historic race as Bofeenau native Roxane Sands, who runs with Moy Valley Athletic Club, became the youngest winner of the Mini-Marathon at the tender age of 14, eclipsing the record that was set only a year ago in Castlebar by Freya Renton, who won the event aged 15.

"It was such a tough race, but it was really good. I loved it," Roxane told the *Western People*. "The ground was a bit slippery, but it was drying so it cooled off as you were running. I was kind of going out hoping to win it, but I never thought that I would."

Roxane crossed the line in a

time of 37:13. Breege Connolly, who ran in the marathon the 2016 Olympics in Rio de Janeiro, was runner-up in a time of 37:30 while Ballina native Serena Tuffy, of Dundrum AC, was third in 37:34.

Completing the top six were Norah Pieterse (fourth, Mayo AC, 38:25), Sinead Whitelaw (fifth, Mullingar Harriers, 39:06) and Roxane's clubmate Grace Tighe (6th, 39:10) in a race that saw sunny conditions come race time after rain throughout the morning.

"Grace was training so hard and she did so well. It was a great race," added Roxane, who is a student at St Joseph's Secondary School in Castlebar.

Moy Valley AC also completed a clean sweep of the Mini-Mini podium places. Arianna O'Flynn was first past the line in the 2km race, closely followed by Cora Naughton and Joe Tighe.

The atmosphere was building all morning, with Laurita Blewitt overseeing proceedings as MC. Participants were put through their paces ahead of the race by instructors from North West Fitness.

Deputy Kiera Keogh, who was a participant alongside her Fine Gael colleague Cllr Marie Therese Duffy, described the event as a "fantastic day".

"People come out for this every year, whether they're running to be with their friends or for a cause that's close to their hearts.

"The organisers do this really well. I think there are 200 volunteers needed to support it and every year it just gets bigger and better. It's lovely to be in Ballina.

"Everybody is in good form. Whether you're running it for your mental health, a bit of exercise, a bit of fun or something more serious, it's just

great to be out here taking part.

"It's always the people behind the scenes in the weeks and months organising this. At this stage, they've raised millions for various charities around the county. It's very important and the event is now a firm fixture in the county every year."

Commercial Manager of the *Western People*, Aidan McNulty, said the event continues to be a significant fundraiser for local charities.

"This being the third year out of seventeen [in Ballina], I'm delighted to say that the event is a sellout and makes it the largest event outside of Dublin.

"The Mini-Marathon continues to raise vital funds for local charities here in Ballina and throughout the county. This event was founded in 2010 in the middle of a recession, so it has come through a recession and Covid, and we have also welcomed our Ukrainian friends and I'm glad to see it today grown to the numbers we have."

Joanne Grehan, Director of Services with Mayo County Council, along with Charlie Lambert, head of Mayo Sports Partnership, heralded the volunteers who helped the event become such a success. The Mini-Marathon is part of the Mayo Day celebrations, which are organised by Mayo.ie and took place around the county over the weekend.

"The vibe around here today was just magnificent. It was electric. We've had so many events over the years, and this is set to be one of the best," said Ms Grehan. "The level of volunteerism that surrounds this event is very, very special and I just want to say a

big shout out to everybody who volunteered today.

"It's the opportunity for a lot of our communities to fundraise for very special charities and we've seen a lot of those here today and we're so grateful for all of that fun-

draising effort.

"Mayo County Council is just so delighted to be central to this along with the *Western People* and the many sponsors that we have."

Charlie Lambert, who has been involved with the Mini-

Marathon since its inception in 2010, also hailed the contribution of the various event partners and sponsors.

"This wouldn't be possible if it wasn't for everybody working together and I think that's the key to this event. That's

what makes this event so special, is the fact that it is grounded in community and it is put together by partnership and collaboration.

"This has been such a fantastic event. A big thank you to all the volunteers who have

helped out today. Without the volunteers, this event does not happen. A big thank you to all the clubs, organisations, volunteers, our partners, event sponsors, Mayo County Council and everybody in the *Western People*."
